

Grade 3 Reading comprehension

A cat is fishing

A cat goes to a river every day. He wants to go fishing. But he can't catch any fish.

One day, he goes to the river as usual. Suddenly a fish comes out. He catches the fish. He is very happy. He forgets to put the fish in the basket. He dances and sings. He shouts, "I have a fish! I have a fish!" all his friends come to see him.

"Where is your fish? Let us have a look at it," his friends say.

"It's there, near the bank." the cat answers. But he can't find the fish. When he sings and dances, the fish jumps back into the river.
