Reading comprehension

Many people like to travel by plane, but i don' t like it because an airport is usually far from the city. You have to get there early and wait for hours for the plane to take off and it is often late. You can' t open the window. You can' t choose the food. Planes are fast, but they still take hours to get out of the airport and into the city.

I like traveling by train. I think trains are safe. railway stations are usually in cities. When you are late for a train you can catch another one .You can walk around in the train and open the windows. You can see many interesting things on your way. I know it takes a little more time.

I also like cars. you can start your journey when you want to, and you don' t need to get to a railway station or a bus stop. And also you can carry many things with you in a car,but sometimes there are too many cars on the road.
