## 五. 阅读理解

### (一)

Do you like a sunny day? Of course! The sun is shining and everything looks bright. The sun looks small because it is so far from us. In fact, the sun is very large. The earth goes around the sun. It takes twelve months for the earth to do this. Can you feel the heat when you are in the sun? Yes! The sun gives us a lot of heat and keeps us warm. The sun gives us light too. So we can see everything. It makes every life alive. Plants, animals and people all need it. We can't live without the sun. Sun is good for making Vitamin D by our bodies.

根据短文判断，相符用“T”，不符用“F”表示。5 分

- ( ) 1. The sun shines and everything is bright.
- ( ) 2. The sun gives us heat and light.
- ( ) 3. The sun is small.
- ( ) 4. People need the sun to live.
- ( ) 5. Sun is good for making Vitamin A by our bodies.

One day, a woman saw three old men sitting in front of her house.

---

She did not know them. She said, 'I don't know you, but you must be hungry. Please come in and have something to eat.'

One of the old men said, 'We don't go into the house together. His name's Wealth, he is Success and I'm Love. Now which one of us you want in your house?' 'Oh, if I let Wealth in, our house is full of money', the woman thought, 'If I invite Love, our house will be full of love!' She said, 'Who is love? Please come in!'

Love got up and came in. The other two men came in after him. The woman was happy and asked, 'I only invite Love. Why are you coming in together?'

The men answered, 'If you invite Wealth or Success. The other two of us will stay outside. But you invited Love, wherever he goes, we go with him. So we are in your house together!'
